

Euroculture

Society, Politics, and Culture in a Global Context

An international Master degree programme that focuses on the complex interplay of politics and culture in the European society, set in the global context.

Interdisciplinary and flexible

- ★ **Explore modern European politics, society, and culture** in Euroculture's interdisciplinary curriculum.
- ★ **Focus on questions of cultural identities and social values** that underpin today's European and global politics.
- ★ **Tailor the programme to your interests and aspirations:** choose among eight partner universities; and between a research-focused semester or a professional internship in your second year.

International programme

- ★ **Unique mobility scheme:** attend at least 2 partner universities of your choice and get a joint MA degree.
- ★ **Engage in our international student community** during your studies, and become part of a **strong worldwide alumni network.**
- ★ **Enhance your intercultural skills and stand out to employers** with an international Master experience.

Focus on employability

- ★ Prepares for today's labour market to **build careers** in international institutions, private consultancies, diplomacy, NGO's, and other fields.
- ★ Includes **hands-on, competence-based courses** training transferable skills as project management, communication, team work, etc.
- ★ Over **70% of graduates find first relevant job within 3 months**, the rest within 6 months.

Professional or Research track

- ★ Carry out a **professional placement** in semester 3, in an organization of your choice, and **boost your CV**
- ★ **OR** follow a **research semester** at any Euroculture university, including European universities and partners in **USA, India, Japan and Mexico** .
- ★ Profit from **an established network** of associated partner organizations and **study advisor support** for finding a professional placement.
